

Civic Improvement

Request for Grant Application

The Civic Improvements Committee (CI) is pleased to review grant proposals from **non-profits** that fit within the criteria of our organization.

CI reviews applications which are within the Millbrook Garden Club geographical area of its members and reflect the Millbrook Garden Club's interests:

- landscape and environmental research and education
- conservation and historic preservation
- gardening and civic Improvement
- horticulture, garden history and design
- publications, Internships and scholarships related to the above

To apply, new Grantees are required to complete the Grantee Application Form, found on the website, and to provide the following:

- _____ Proof of 501 c (3)
- _____ Annual report or website showing board members and supporting members

If you have a grantee you'd like CI to consider, please email the committee chairs the following information.

1. Non-Profit Name
- 2 General idea or outline of the grantees need/proposal.
3. Contact person
Name, Email and phone number
Location for Grantee project

Thank you for your submission
